

# MANAGEMENT AND HEALTHCARE

## A. Library Collection Development Objective

The library seeks to support curricular, research, and lifelong learning in Management for the Bachelor of Business Administration, the Masters of Business Administration Program, and the Management Certificate Program. The Department of Management at Valdosta State University provides management development to the South Georgia region through instruction, research, and service activities.

## B. Description of User Groups Supported

In relation to Management, the library supports the following user groups:

**Undergraduate students, Faculty, and the community.** New and expanding areas of interest include the Certificate in Health Care Administration and the Minor in Logistics and Supply Chain Management. Departmental research is focused on development of the region, instruction, faculty, and the management disciplines. Regional service activities include management and organization development and consulting, especially through the South Georgia Institute.
