Required Textbook: Principles of Anatomy and Physiology, 12th,13th,14th or (the newest) 15th Edition Tortora, G.J. and Derrickson, B. (Choose one: hardcover, loose-leaf, or e-book format). Buying a used text will save money. Renting is not recommended. Speak to the instructor about potentially using an alternate A&P textbook if you already own one.

Lab Manual Online: Available free online: <http://blog.valdosta.edu/AP2>

Lab Dissection Kit: Available for purchase from the bookstore or find a similar one from another retailer. You will need to bring this to lab each week once we begin dissections.

Course Description & Prerequisites: A continuation of human anatomy and general physiological principles with emphasis on endocrine, cardiovasciples.

Conduct:

Students are expected to arrive on time and behave with respect in both lectures and laboratories.

Students should not talk during lectures.

Always ask for clarification if you do not hear something or do not understand something- this is why the instructor is here.

Use of cell phones during lectures and laboratories is not permitted.

Cell phones must be silent and put away during lectures and laboratories.

If your cell phone is seen or heard during a lecture you will be asked to leave and will receive a grade of 0 for any quizzes/extra credit.

If your cell phone is seen or heard during an exam you will be asked to leave and receive a grade of 0% for that exam.

If an emergency arises and you must leave class or make a phone call, please speak with the instructor before stepping out.

Cheating / Plagiarism: Please refer to the Student Code of Ethics in the Valdosta State University Student Handbook. Any student caught cheating will be penalized, ranging from receiving a zero for that assignment or test, to failure and expulsion from the course. Academic dishonesty will **ALWAYS** be disciplined in this course and reported to the University.

Title IX Statement: Valdosta State University (VSU) is committed to creating a diverse and inclusive work and learning environment free from discrimination and harassment. VSU is dedicated to creating an environment where all campus community members feel valued, respected, and included. Valdosta State University prohibits discrimination on the basis of race, color, ethnicity, national origin, sex (including pregnancy status, sexual harassment and sexual violence), sexual orientation, gender identity, religion, age, national origin, disability, genetic information, or veteran status, in the University's programs and activities as required by applicable laws and regulations such as Title IX. The individual designated with responsibility for coordination of compliance efforts and receipt of inquiries concerning nondiscrimination policies is the University's Title IX Coordinator-0('sha)]in,IXSers1li,
