1. (150 pts) The major points towards your grade assessed in the laboratory will be through two laboratory practicals. Each practical will be worth 100 points; All Lab quizzes, ~~time~~ quizzes, and selected homework assignments will count for another 100 points total. Of the 300 points earned in lab, your lab score will be computed as a percent score out of 150 points total. ~~As~~ The laboratory is considered an extremely important part to learning “hands-on” biology, any student will automatically ~~lose~~ lose points from their final lab grade for any absence from laboratory.

2. will be based on a percentage of your cumulative points relative to the total points possible:

Lecture Exams (100 pts each):	400 pts
Final Exam	100 pts (low dropped)
Laboratory:	<u>150 pts</u>
Total:	550 pts

Guaranteed grade distribution is as follows:

A = 90-100%
B = 80-89.9%
C = 70-79.9%
D = 60-69.9%
F = \leq 59.9%

3.
